

H.Th	T.Th	Th	H	T	O		
------	------	----	---	---	---	---	--

Tenths	Hundredths	Thousandths	Ten Thousandths	Hundred Thousandths
--------	------------	-------------	--------------------	------------------------

Cut out both and glue the end of the “tenths” section to the white section on the first strip. The snowball shows the position of the decimal point 😊

On the next page are the snowman number counters to use with the place value chart. Use blue snowmen for ones, tens, hundreds etc and use the brown hat snowmen for tenths, hundredths etc. Print a couple of copies so you have plenty of numbers.
